July 2023

Dear Community Leaders:

The Tucson Japanese Language School is about to celebrate its 10th anniversary next school year. The school was founded to give children the opportunity to experience Japanese language and culture as a way to extend their language ability.

We continue to serve Japanese families in Tucson, and in 2022 we expanded our offering of classes and programs to any individuals including adults who are interested in Japanese language and culture, regardless of whether they have a Japanese background, by stating our International Division Class.

It was a successful year for the division. In addition to the class, we began "Nihongo Cafe," an online conversation group, providing opportunities for anyone practice their conversational Japanese. The Cafe has been hugely popular, creating true friendships with volunteers in Anjo city in Japan across the ocean.

Another new initiative, "Tucson Japanese Culture Classes", was a great experiment last year. Through this program, we hoped to serve as a bridge across cultural borders, leading many Tucsonans toward a deeper appreciation and understanding of Japanese culture, and help them enriching their lives though cultural experiences. A new school year schedule will be announced soon for 2023.

As you are a valued member of our community, we would like to invite you to become a sponsor for the Tucson Japanese Language School in the 2023 school year. Making it all happen is TJLS families, volunteers, and sponsors. All of our programs benefit from your support to ensure that they are accessible to many families and community members at an affordable price. Please consider supporting TJLS and helping us to have another successful school year. We appreciate you for your generosity and support!

Gratefully,

Hitomi McKnight Minami Espinosa
